

Venture Out Holiday Club weekly schedule – Provisional

This is the ideal plan, but activities often need to change to accommodate: high/fast river, wet day, younger or older balance of kids, or tiredness and behaviour as week progresses. We do not refund you if you don't get the day you think you booked.

Every morning kids are put into a team of 10 others from around their age and stay in those teams all day. They do the activities listed in their team, to enable better socialisation and staff support.
